SUBJECT	Declaration of Results of the Delegate Election Process 2019

## PROPOSED ACTION:

ITEM:

The 2015-2019 Delegate Term ends on September 20, 2019. In preparation for the 2019-2023 Delegate Term, elections have been held in accordance with all relevant rules of the CPSU/CSA.

On 15 July, 2019 nominations were opened for all workplace delegate and deputy roles in electorates across the Union.

Nominations closed at 5pm on the 17th August, 2019. There were no contested electorates which required an election through this process. Nominees in all uncontested electorates were declared elected at this time.

After the formal nomination period a further 64 correct nominations were returned for uncontested electorates. These nominations have been included in the total ballot declaration below.

At the preparation of this report on September 12, 2019 I have received valid nominations for the following:

Position	Total	
Delegate	317	
Deputy	103	

I, as the duly elected Returning Officer, declare the members attached at *Schedule A (Returning Delegates)* and *Schedule B (New Delegates)* correctly elected for commencement of the 2019-2023 Delegate Term on September 20, 2019.
